

Health & Safety Protocols:

- **To minimize contact between clients, text me once you've parked so I can give you the "all clear" to buzz in**
- **Hepa filter with UV bulb in studio**
- **Hand sanitizer is conveniently located at the front door**
- **Allow me to open and close the doors as you enter and exit (less hands on the doorknobs)**
- **I will keep my mask on during the whole session**

****If you're not feeling well, have recently flown or believe you've been exposed to someone who tested positive, please inform me and cancel or reschedule****
